Fass has gone north to purchase an unusually large line of goods. Mr. Fass will be in Washington by Mrs. Fass who has been visiting relatives in Chicago and she will assist in buying a large line of goods for the spring trade.

Mr. P. Cooper, well known in the county as the former representative in the Columbia State and The and Courier, died suddenly of heart failure at Williamston yesterday night. Mr. Cooper had been ill some weeks but was recovering. He was 50 years of age and leaves a wife.

Following new county commissioners were here Monday: H. A. Bethea, Latta; R. L. Ivey, Freestate; J. Rich Hayes, Kirby; R. K. Hayes, Pages Mills; R. S. Moore, Fork; R. P. Hamer, Hamer; T. C. Sherwood and R. P. Stackhouse, Little Rock; J. H. Manning, Latta.

Some miscreant smashed the large plate glass window in Morris Fass' store about three o'clock yesterday morning. The glass was about one-fourth of an inch thick and the party must have used a coupling pin or some other heavy instrument. Mr. J. B. Gibson whose room at the Price Court Inn is just above Mr. Fass' store was awakened by the noise, but the party had escaped before Mr. Gibson could get to the window. It is thought that the motive was robbery.

Look over the candidate's column and pick out your man for office. There is plenty of good material for every office in Dillon county and you should find no trouble in selecting a good man from the number who have announced themselves. Of course the list is not complete yet as there will be other announcements from week to week until the entries close, but it is the duty of every citizen to vote for the best man for office and you will have a perfect right to change your mind. But watch the announcement column. There will be surprises in it every week.

The Woman's Club had a delightful meeting on Monday afternoon with Mrs. Robt. O'Ferrall. Mrs. O'Ferrall wished especially for this meeting to be with her this week, in honor of her aunt, Mrs. Thornton, of Richmond, Va., who is her guest. After the guests assembled the roll was called by the secretary, Mrs. T. W. Bethea. Interesting articles were read by Mrs. Bethea and Mrs. L. R. Craig, followed by a charming recitation by Miss Whitley. Those present were Mesdames T. W. Bethea, W. C. Tolar, W. H. Dunbar, L. R. Craig, C. R. Taber, A. J. Evans, C. Henslee, H. A. Willis, Leroy Williams, A. G. Buckner, D. N. Oliver, E. L. Moore, Misses Isla

McKenzie, Alice Hamer and Nina David.

Bobby Walthour, who holds the world's record for fast time on a bicycle, has a strong rival in the person of Mr. F. D. Herring who resides near Stafford's Bridge. Mr. Herring was in The Herald office Tuesday and he told of a remarkable trip he made to Marion and back a few days ago. Mr. Herring says he left home on his bike at 9:30 o'clock in the morning and at 11 o'clock he was talking to people on the streets of Marion. Leaving Marion that afternoon at 3:30 o'clock he wheeled back home by the time the hands on his watch pointed to 5:30 o'clock. Mr. Herring says he is 60 years old but he doesn't look to be more than 30, although he is a grandfather. This was quite a remarkable feat for a man of Mr. Herring's age and completely refutes Dr. Osler's assertion that a man ought to be chloroformed at the age of 60.

A prominent planter from the Kirby section who was a visitor at The Herald office some days ago said that he could throw a stone in any direction and hit a candidate, but that he did not propose to commit himself to any candidate until all the announcements were in. When the list was completed, said the gentleman, he would take The Dillon Herald, go over the announcement column carefully and select the men he thought best fitted for the several offices. This gentleman, whose name is withheld for obvious reasons, says the best way to end right is to start right, and that if the most competent men are not elected to office the affairs of the county will suffer. His suggestion is a good one and if every citizen of the county will follow it there is every reason to believe that Dillon county will start off housekeeping with a fine set of officers. There is plenty of good material in the field and the responsibility will be upon the people.

The Wofford glee club will give an entertainment at the school auditorium on the night of the 19th.

Don't forget that I have a full line of fancy groceries open in the Bracey building. C. S. Herring.

When the larder gets empty Herring's fancy grocery is the place to get your groceries. W. C. Bracy building.
